28th December 2021 I am working as an employee/contractor for Mindtree Limited ("Mindtree") from [..... C1 .....]. My Mindtree identification number is [..... M1080460 .....].

Currently I am working on an assignment with Mindtree's client ("Client").

While I am on this Client assignment, I will be provided with Client account and email address. I will be given access to certain electronic documents/artifacts of Client.

Previous to my assignment with Client, or while on assignment with the Client,

- (a) I do not have my personal account(s) ("Personal Account") [Git Hub / Cloud or any other similar account that needs to be specified]
- (b) I have a Personal Account /(s) [..... NA .....]  
[Please update all such accounts] but I do not use it for official purposes.

I CONFIRM THAT I have and will

1. not post or share any of the Client or Mindtree information, or Client or Mindtree confidential information with any party or social media or to my Personal Account.
2. not misuse or misappropriate Mindtree or Client content or to personally profit from the use of this content.
3. not save, retain or copy any of Mindtree and/or Client's content onto any other USB drives, laptops, external hard drives, or any other devices or to my Personal Account.

If I am working out of Client facilities or accessing Client's networks, systems or data, I shall conduct myself in a professional manner and shall comply with applicable safety and security regulations and procedures, which I am aware of.

I hereby agree that I have read and understood the terms and conditions of the aforesaid Employee Undertaking, and voluntarily agree to be bound by the same and also the repercussions of the breach thereof. I further confirm that I have received a counter-copy of this Employee Undertaking for my records.

I agree that any false submission herein shall entitle Mindtree to initiate any disciplinary and/or legal action against me.
